Subject : Hello from Japan

Hello, I am Aki Nakayama. I'm a student of Seibo Gakuen. We are going to California on July 23.

Thank you for having me as a host family this time. I'm very much looking forward to seeing you and staying with you. I hope you've already received my profile card. I wrote about my family on the card, so I don't think I have to tell you about my family here.

I'm very excited to visit you soon! I have many things that I want to do with you.

I want to show you how to make *origami* characters. Do you know *origami*? I'm good at making them. It's not so difficult to make *origami* characters. I hope you want to try making some with me.

I want to go to a supermarket in America with you. I want to buy some American snacks for my friends and try some with them in Japan when I come back to Japan. I want to eat many American foods while I'm in America.

One of my American teachers at my school is from California. When I told him that I was going to California, he said that I should visit Lake Tahoe. If it's possible, I'd like to visit there and enjoy the scenery. Is it far from your place?

Do you want to have anything from Japan? I already bought something small for you, but if you have something Japanese on your mind, please let me know. I'm happy to bring it to you.

See you soon.

Sincerely,

Aki Nakayama

Thank you for your mail, Aki. We, my husband Tom and I, are also happy to have you as a house guest.

Yes, we received your profile card. Now I know you live with your parents and a younger sister in Saitama. I also want to do many things with you.

I know *origami* characters. It's a beautiful art. I don't think I can make them

but I'll try. Please show me how to make them.

I'm very happy to take you to a supermarket and Lake Tahoe. Lake Tahoe is one of my favorite places, actually. I would love to visit there with you.

I'd like to know what you want to eat for dinner when you come to our place. We can cook anything you want.

By the way, you don't have to bring anything for us but I'm interested in foreign postal stamps and coins. I'll show you my collection. I haven't had Japanese ones yet. You don't have to buy expensive ones but could I have some small Japanese coins?

See you very soon!

Love

Jen and Tom
